

Internship Investments – Corporate Finance & Tax Amsterdam

Are you looking for an internship in an international organisation? Then Atradius is looking for you! We are looking for an Intern at our Corporate Finance & Tax department.

The Investment unit within the Corporate Finance & Tax department of Atradius Group has the following main responsibilities: monitoring investments portfolio, maintaining the investment process including tactical and strategic asset allocation, asset manager monitoring, investment reporting, budgeting and forecasting of the Atradius Group investment income, reconciliation of P&L and balance sheet movements relating to investments (including Solvency II reporting) and other (ad hoc) management information.

Description

Your tasks will be:

- analysing, monitoring and reporting on the Atradius Group investment portfolio;
- analyzing the investment portfolio position, transactions, risk and profitability;
- providing input for investment related activities, e.g. the Group Investment Committee, the custodian.

Knowledge, skills and experience

- minimum education to bachelor level (finance, economics or business administration)
- excellent proficiency in excel and other Microsoft products
- affinity with investments and financial markets as well as an understanding of the major financial instruments and markets is an advantage
- basic understanding and/or experience with Bloomberg is an advantage
- fluency in English is a must

We are looking for someone who:

- Is eager, proactive and hard working with a hands-on mentality
- Is goal-minded towards efficiency, quality and practicality
- Has a strong analytical and problem solving mind-set
- Is able to prioritise and handle multiple tasks at the same time
- Is challenged by working in a dynamic, international and demanding environment
- Is capable to work both independently, but also being an effective team player
- Is creative yet responsible – a problem solver and enabler

What we offer

A nice and challenging environment to learn in an international, dynamic and informal culture. We find it important to give the opportunity to the student to learn and grow in their experience. Next to that you will receive an allowance every month.

Our Organisation

Atradius provides trade credit insurance, surety and collections services worldwide through a strategic presence in more than 50 countries. Atradius has access to credit information on 200 million companies worldwide. Its credit insurance, bonding and collections products help protect companies throughout the world from payment risks associated with selling products and services on trade credit.
