

Internship Strategy & Corporate Development Amsterdam

We are regularly looking for enthusiastic student who can support our Corporate Strategy team for 6 months at the time.

Our organisation

Atradius provides trade credit insurance, surety and collections services worldwide through a strategic presence in more than 50 countries. Atradius has access to credit information on over 240 million companies worldwide. Its credit insurance, bonding and collections products help protect companies throughout the world from payment risks associated with selling products and services on trade credit.

Description

The person appointed will assist the Corporate Strategy team in its daily activities. Here are some examples of tasks and responsibilities:

- Performing supporting research tasks about geographical expansion activities;
- Performing supporting research tasks in competition analysis;
- Market research and conducting supporting tasks in digitalisation & innovation initiatives;
- Taking part in unit's general and project involved meetings.

Requirements

- Student works alongside with the project manager on the competitors information;
- Fluent English, other language is very welcome;
- Strategy, Finance and/or Economy background;
- Excellent MS office skills, further experience is appreciated.

A successful applicant should have:

- Hands-on mentality;
- Be agile;
- Solid organisation/communication skills;
- Being tech-savvy has an advantage.

What we offer

A nice and challenging environment to learn in an international, dynamic and informal culture. We find it important to give the opportunity to the student to learn and grow in their experience. Next to that you will receive an allowance every month.
